

McKahn Family Cellars

Valuing family, friendship and tradition

Established in 2014, McKahn Family Cellars has dedicated itself to crafting Rhône varietal wines of quality and character from some of the best vineyards in Northern California.

Our wines reflect the wealth of diversity California has to offer and we take every precaution necessary to ensure each of our wines is unique to their terroir and varietal.

2019 MORNING GLASS

A medium bodied red, this edition of our Morning Glass blend has a ripe raspberry, cherry, and blackberry orientation. Layered with the fruit is a nice bramble and mezcal combination, and slight hint of anise on the finish. There is noticeable tannin, but the structure is smooth from beginning to end. Finish is medium.

Production Notes

Destem to stainless steel tank and ferment on the skin for 14 days. Aged in 30% new French and Hungarian oak, and 70% neutral oak for 15 months before bottling. This wine was racked twice during the aging process, and was sterile filtered prior to bottling. The blend is 75% Syrah, 13% Petite Sirah and 12% Grenache.

Sonoma County

Sonoma County is a diverse terroir featuring coastal and inland meso and microclimates. The Pacific Ocean and its moderating impact on climate lies to the west and the Mayacamas mountain range lies to the east. Eons of volcanic activity, river flow erosion, and the constant shifting and collisions of the Pacific and North

American tectonic plates and its effect on soil composition, Sonoma County has been blessed with an abundance of near perfect winegrowing sites. Coupled with the human element and Sonoma's culture of growing world class wine, it truly is a special terroir.

Suggested Food Pairing

Lamb Gyro, Grilled Eggplant or BBQ'd TriTip.

TECHNICAL DATA

BOTTLE TA:	5.9 G/L
BOTTLE pH:	3.7
ALCOHOL %:	14.9%
CASE PRODUCTION:	1050
MSRP:	\$30.00
