

# McKahn Family Cellars

*Valuing family, friendship and tradition*

*Established in 2014, McKahn Family Cellars has dedicated itself to crafting site-specific Rhône varietal wines of quality and character from some of the best vineyards in Northern California. We are not beholden to any single appellation, and will search near and far for a vineyard that produces fruit to meet our high standard.*

*California is blessed with some of the most diverse terroir in the world, and our wines reflect that wealth of diversity from the Russian River Valley to the Napa Valley; from the Sierra Foothills to the Livermore Valley. We value family, friendship and tradition, and our wines are crafted with the intention of being shared among loved ones. We respect the millennia old tradition of winegrowing, and take every precaution necessary to ensure each of our wines is unique to their specific terroir and varietal.* 

## 2019 VIOGNIER

Lush notes of banana cream pie, candied orange peel, spring flowers, apricot and peach, and a very subtle hint of honeydew melon. There is so much going on here that it will make you do a double take, finding something new with each sniff. This is a full bodied wine with moderately firm acidity, and a finish that you won't soon forget.

### Production Notes

Whole cluster press to tank for a one day cold settle. Racked off primary lees and inoculated with yeast and sent to neutral barrels for barrel fermentation. Fermented to dryness in barrel and aged for six months prior to bottling.

### Russian River Valley

The grapes used to make this wine hail from Catie's Corner vineyard located in the

northern area of the Russian River Valley. This famed growing region is famous for its relatively warm days and very cool nights attributed to a nightly marine layer pulled in from the pacific ocean. The Russian River's much wider ancient route formed fine silty loam soils, perfect for high quality white winegrowing.

### Suggested Food Pairing

Serve with Pad Thai, Seared Scallops or Moroccan Chicken Tagine with Apricot.

### TECHNICAL DATA

TA:	7.3 G/L
pH:	3.4
ALCOHOL %:	14.1%
CASE PRODUCTION:	225
RETAIL:	\$34.00
